

Welcome to **BARCAMP** MP

The un-conference for tech, computing, science, nature, & all topics in-between, held annually in **Grand Rapids, MI** this **August 21st & 22nd**! BarCampGR is a free, non-profit educational event where attendees are the speakers, and the topics are their hobbies & passions.

Just like we need attendees to deliver interesting talks, we need sponsors to make our event succeed.

Funding is used to pay for expenses like facility rental, registration and identity badges, attendee food, and more. On average, BarCamp GR can be held for as little as \$2,700!

About BarCamp International

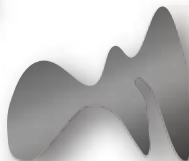

Since 2005, BarCamps have been held across the globe and spawned several events inspired by this kind of free, attendee-driven conference. Although hundreds of BarCamp events have been held through the years, BarCamp GR is one of the longest consecutively running Camps, and of the few that remain today.

Sponsorship Levels

Bronze

\$300 PACKAGE: Your company name and logo will be displayed on the the website, at the event, in emails & social media. You will also receive a special mention during the conference opening and closing sessions daily.

Silver

\$600 PACKAGE: In addition to the bronze tier perks, your organization is spotlighted with an additional message or promotion on the BarCamp GR website & social media. This can be a mission statement, employment opportunity, generally anything you desire.

Gold

\$1000 PACKAGE: In addition to all previous perks, your organization will have a table or booth space reserved in the main hall during the conference for your own promotional purposes, or you can be recognized as an *in-kind* sponsor (ie: food sponsor).

📍 Talk with us about custom packages beyond these tiers.
